ARTICLE III
GRIEVANCE PROCEDURE

A. Grievance Definition - A grievance shall be a written complaint alleging a violation involving the application and interpretation of provisions of this Agreement.

B. Purpose and Procedure

1. The purpose of this procedure is to secure, at the earliest possible level, equitable solutions to the problems which may from time to time arise under this Agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of this procedure.
2. The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The failure of the grievant to appropriately present the grievance within the prescribed time limits shall constitute a waiver of the alleged grievance and will act as a bar to further appeal. The employer's failure to give a decision within the prescribed time limits shall permit the grievant to proceed to the next step. The time limits may be changed by mutual agreement.
3. It is agreed that any investigation or other handling or processing of any grievance by the grieving employee or his/her representative shall be conducted so as to result in no interference with or interruption of work. The City shall solely determine whether an interference has occurred under this paragraph. Unless agreed to by the Employer, all grievances shall be processed outside the employee's work day.
4. If an employee files any written claim or complaint against the employer in any form other than the grievance form set forth in this Agreement, the City shall not be required to process the same claim or set of facts through the grievance procedure.
5. All meetings and hearings, under this procedure, shall be conducted in private and shall include only witnesses, the party in interest, and their designated or selected representative heretofore referred to in this Article.
6. At all steps of a grievance the employer and Union shall have the right to have representatives to attend any meeting required to resolve the grievance. Every employee covered by the Agreement shall have the right to present grievances in accordance with these procedures.

Step I. The Union steward, with or without the employee, shall take up the grievance or dispute with the employee's immediate supervisor within fourteen (14) calendar days of the date of the grievance or the employee's knowledge of its occurrence. The employee's immediate supervisor shall attempt to adjust the matter and respond to the steward within fourteen (14) calendar days.

Step II. If the answer is not satisfactory, the matter shall be presented by the Union steward to the City Administrator within fourteen (14) calendar days after the supervisor's response is due. The City Administrator shall then respond to the Union steward or grievance committee in writing within fourteen (14) calendar days.

Step III. If the grievance still remains unadjusted, it shall be presented by the chief steward, Union representative or Union president to the Labor Relations Committee in writing within fourteen (14) calendar days after the response of the City Administrator is due. The Labor Relations Committee shall respond in writing to the chief steward, representative or Union president within fourteen (14) calendar days.

Step IV. If the grievance is still unsettled, either party may, within twenty (20) calendar days after the reply of the Labor Relations Committee is due, by written notice to the other party and the Iowa PERB requesting arbitration.

The Public Employee Relations Board shall be requested to provide a list of seven (7) arbitrators. The selection of the arbitrators shall be conducted by the Employer and the Union within fourteen (14) calendar days upon receipt of the list from PERB. The parties shall determine by a coin toss which party shall have the right to alternately strike one (1) name at a time from the list until one (1) name shall remain. The remaining name shall be the arbitrator.

The decision of the arbitrator regarding a grievance on the contract under which the grievance was filed shall be submitted in writing within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision of the arbitrator shall be binding on the parties. Binding arbitration shall mean the hearing and determination of a case in controversy by a person chosen by the parties.

The arbitrator shall have no power to alter, change, detract from or add to the provisions of this Agreement, but shall have power only to apply and interpret the provisions of the Agreement to the settlement of issues and grievances arising hereunder.

Each party shall bear its own cost and expense of the arbitration proceedings excluding the fee of the arbitrator which shall be shared equally by the Employer and the Union.

Vacations shall be granted at the time requested by the employee, unless the nature of the work makes it necessary to limit the number of employees on vacation at the same time; the employee with the greater seniority shall be given his/her choice of vacation period, unless the employee waives this requirement, in writing, twenty (20) days prior to the vacation. In case it is not possible to grant the vacation request, the Employer shall state the reason in writing within thirty (30) days of the request and the employee shall be scheduled for a vacation by the Employer at a mutually agreeable time.

Vacation time can be accrued to a maximum of twice the annual entitlement. However, the employee must request the extension at least four (4) months prior to the end of the vacation earning year.

Sick leave will be allowed to accumulate to a maximum of one hundred twenty (120) days. Separation from City employment shall cancel all unused accumulated sick leave. However, when an employee is laid-off, any unused accumulated sick leave shall be restored, provided the employee is re-employed by the City within one (1) year. All employees who have accumulated a minimum of thirty (30) days (two hundred forty [240] hours) in their sick leave account and who do not use sick leave for a full calendar month may elect to have one-fourth (1/4) day (two [2] hours) added to their accrued vacation account in lieu of adding one and one-half (1-1/2) days (twelve [12] hours) to their accrued sick leave account. Employees who have made this election will be allowed to accumulate up to and an additional three (3) days (twenty four [24] hours), with no carry over from year to year, of vacation.

If requested by the City, all employees may be required to work overtime in accordance with the distribution system.

On each occasion, the opportunity to work overtime shall be offered to the employee within the job classification who has the least number of overtime hours to their credit at the time. If this employee does not accept this assignment, the employee with the next fewest number of overtime hours offered to his credit shall be offered the assignment. This procedure shall be followed until the required employees have been selected for the overtime work. However, any employee refusing overtime will be charged for purpose of distribution.

A record of the overtime hours offered each employee shall be posted on the department bulletin board quarterly.
